Viva Jujuy (Bailecito)

/ Viva Jujuy, viva la Puna,
 viva mi amada.
 Vivan los cerros pintados rojeados
 de mi quebrada. /
 De mi quebrada
 Humahuaqueña.
 No te separes de mis amores,
 tú eres mi dueña.
 La, la ...
 No te separes de mis amores,
 tú eres mi dueña.

/ Viva Jujuy y la hermosura
 de las jujeñas,
 Vivan las trenzas bien renegridas
 de mi morena. /
 De mi morena,
 Coyita mía.
 No te separes de mis amores,
 tú eres mi vida.
 La, la ...
 No te separes de mis amores
 Tú eres mi vida.

Long live Jujuy,¹ long live the Puna,²
 long live my beloved.
 Long live the rosy painted hills
 of my valley.
 Of my valley
 of Humahuaca.
 Don't withdraw yourself from my love,
 you are my master.

Long live Jujuy and the beauty
 of the Jujeñan women.
 Long live the jet-black braids
 of my dark woman.
 Of my dark woman,
 my little Coya.³
 Do not separate yourself from my love,
 you are my life.

From the beginning of the world, such is
 a woman.

On the head of a man she always brings
 punishment.

Woman, woman, such is a woman.
 On the head of a man she always brings
 punishment.

There's no closed door for a woman.
 For every door she has a key, a woman does.

She, a satan, in a snake's shirt,
 poor Adam she misled with an apple,
 the woman Eve did.

Karun, karun

 Et kho sev, sev acherov,

My love listened to the evil tongues,
 and filled her black, black eyes with tears.
 This world is a very worthless thing,
 I wanted to get away, to get away
 and to forget.

Spring, spring, it's spring,
 lovely, lovely, it's lovely.
 With those black, black eyes,
 my love, you burn me.

From this love of yours, I am lost, can't sleep,
 I cry out in tears all night long.
 My love, don't turn away from me; I love you.
 The passers-by think I want love.

It's a year I haven't seen you,
how can I endure it?
It's a year I haven't seen you,
I can't endure it.
You're here, I'm there,
with sorrow I endure.
You're here, I'm there,
your whim I endure.

You haven't written a letter,
how am I supposed to know?
You haven't written a letter,
I can't endure it.
You are here, I am there,
with sorrow I endure.
You are here, I am there,
your whim I endure.

You haven't sent your kerchief
so that I can wash it.
You broke my heart,
how can I endure it?
You broke my heart,
I can't endure it.

The shape of your eyes, your long fingers,
in my dreams I'll be seeing.
You are here, I am there,
how can I endure it?
You are here, I am there,
I can't endure it.

Look at my face with your black eyes,
even though it be but once a year.

I have lost my hope and my strength.
Why don't you come near me, cruel girl?

At the thought of your trim figure and your
black eyes

I'm pained and thin, a young man like me.
Just remembering your name I lose myself,
just thinking of a girl as lovely as you.

You went walking one holiday,
your black eyes and eyebrows, your trim
figure...

Beautiful girl, help or I die.
Give me one passionate kiss.

When you went walking with your sister,
your hair trickling over your eye,
I wanted to speak to you,
but I was afraid of your sister.

Hodih gore, hodih dolu (Četvorno šopsko horo)

Hodih dolo, mamo, hodih gorja.
 Nijde selo, mamo, ne namerih
 / kato selo Marijkino,

Marijčica, mamo, po dvor hodi,

Kad ja vidjah, mamo, kail stana!

 če sū hvanah na horoto,

 Če sū hvanah na horoto,

 a Marijka, mamo, mi govoril:
 "Ne mi lopaj, ne mi tropaj,
 če mi upraši, momko, želti čejli,
 če mi upraši želti čejli,

Če si brūknah, mamo, u džoboci,

I went everywhere
 and I found no village, mother,
 like Marijka's village,
 Marijka's, mother.

Little Marijka was walking about,
 walking about the yard, leading the dance,
 all dressed up, beautiful,
 in a silk chemise.

When I saw her, mother, that was it!
 I bent a branch and tied up my horse
 and got into the dance,
 into the dance, mother, near Marijka,
 got into the dance,
 into the dance, mother, next to Marijka.

I jumped, mother, I stamped
 and Marijka said to me, mother:
 "Don't jump, don't stamp,
 for you'll get my yellow slippers dusty, lad,
 for you'll get my yellow slippers dusty,
 my yellow slippers and embroidered skirts!"

I reached into my pocket, mother,
 and pulled out a handkerchief
 and wiped her yellow slippers,
 yellow slippers, mother, and embroidered skirts
 and got into the dance again
 into the dance, mother, next to Marijka.

Snošti si Rada pristana (Kjustendilska rūčenica)

Snošti si Rada pristana, mūri,

Gūlūbi Rada dumaha, mūri,

Majka ti dvori meteše, mūri,
za tebe, Rado, plačeše.
Tatko ti na stol sedeše, mūri,

Last night Rada eloped
with a boy living far away.
Three days they were on the road,
on the fourth day they arrived.

Rada climbed up
to the high balcony
to see her mother,
her mother and her father.

Rada did not see her mother,
her mother and her father.
All she saw were white doves,
white doves flying.

Rada said to the doves:
“Doves, as you fly,
have you not seen my mother,
my mother and my father?”

The doves said to Rada,
“Rada, fair Rada,
as we were flying we saw
your mother and your father.

Your mother was sweeping the courtyard.
She was crying for you, Rada.
Your father was sitting at the table.
He was drinking red wine.”

Sadi moma

Hodila mi je Bojana (Pravo)

Hodila mi je Bojana
devet godini hajdutin.
Na deseta se sgodila
za Mirčo mlada vojvoda.

Sednala mi je Bojana
koprina da se prepreda,
tūnki darove da pravi
junaci da si daruva.

Mirčo v gorata otiva
družina da si sūbira.
Tam si go turci hvanali,
vūv Tūrnovo go otkarva.

Kad se Bojana nauči,
zahvūrli kurtka srebūrna.
Obleči drehi junaški,
prepazja sabja frengija.

Če si turcite nastigna i

Mirčo Bojana dumaše:
“Halal ti struva vovodstvo.”

Bojana wandered
nine years as a hajduk.
On the tenth she became engaged
to the young chieftain Mirčo.

Bojana sat down
to spin silk,
to make fine wedding gifts
to give to the warriors.

Mirčo went into the forest
to gather the company.
There the Turks caught him.
They carried him off to Tūrnovo.

When Bojana learned of this, she
threw off the tunic of silver. She
put on the garb of a warrior,
belted on her sword of Frankish steel.

She reached the Turks
and cut off their heads.
Mirčo said to Bojana,
“You are worthy of the chieftainship.”

Gjura beli belo platno (Pajduško)

Gjura beli belo platno
na rekata pod dūrvoto.

Gjura was bleaching white cloth
at the river under a tree.

Chorus:
/ Ej he he a ha ha ha
o ho ho ho i hi hi hi /
ps ps pš pš jihu!

/ Proměkno ga, natopa ga. /

Pa doteče mūtna voda
ta otvleče belo platno.

/ Ohno Gjura za platnoto. /

“Lele male za platnoto
što sūm tkala tri godini.”

She wrung it and soaked it.

And then muddy water came along
and carried away the white cloth.

Gjura groaned for the cloth.

“Oh Mama, the cloth
that I spent three years weaving!”

Trūgnala Rumjana

Trūgnala Rumjana za voda studena, lele

 mehlem na sūrceto, balsam na dušata.”

Rumjana went for cool water
 early each morning in the morning coolness,
 late each evening in the moonlight.

Towards her came a young lad.

He said quietly to Rumjana:

“Tell me now, Rumjana, what shall I
 do to you?
 If I steal your flowers, you’ll just pick others.

If I break your jugs, you’ll buy yourself
 new ones,
 even prettier and more colorful.

So now, Rumjana, let me kiss you,
 for a kiss cannot be bought with money.

For a kiss is a salve for the heart,
 a salve for the heart, a balm for the soul.”

Petruna, bright little bird,
 little lambie.

Petruna’s eyes
 are worth a handful of golden coins.

“Petruna, little turtledove,
 since you’re so beautiful,
 did God drop you here
 or did you spring up in the garden?”

“You crazy young thing,
 God didn’t drop me here
 nor did I spring up in the garden.

My mother bore me
 just as yours did.

While she was bearing me
 she walked in the garden,

she held onto a poplar tree,
 she looked at an apple.

That’s why I am thin and tall,
 That’s why I am fair and rosy.”

Majka Rada sitno plete,

“Šterko Rado, bjala Rado,

Tvojta Rado rusa kosa,

Rada mama tihom duma:
“Mamo, mamo, milna mamo,

nito turčin drugoverec.

Naj šte mi e naj-junače,

Rada’s mother plaits her hair finely,
plaits her hair finely, scolds her angrily:
“Daughter Rada, fair Rada,
your blond hair, Rada.

Your blond hair, Rada,
who will be its first love?
A bachelor or a widower
or a Turkish infidel?”

Rada softly answers her mama:
“Mama, mama, dear mama,
neither a bachelor nor a widower
nor a Turkish infidel.

He will be the most heroic one of all,
the heroes’ standard-bearer.”

Tell me, tell me, young man,

where did you grow up?
Who gave you strength and beauty?

Eh, eh, Karamfil,
partisan mother, true commander.

I am a true son of the Balkan mountains
and the Valley of the Roses.
Strength and beauty they gave to me,
it was they who taught me how to fight.

Forest, forest of the Hajduks,
and you, our granite Balkan.
Today we are raising young heroes,
true descendants of Karamfil.

What's the matter, my little bird, why are
you so sad?

Did you lose your sweetheart who loved you?
Did your sweetheart leave you, my little bird?

My dear sweetheart did not leave me.
My dear sweetheart did not leave me.

I have lost my wings, I can no longer fly.
I have lost my light wings, I can no longer
fly.

That's why, darling, I can't marry you this
fall.

A ja svoga duvegiju
pritisnula uz kapiju.

Sviraj mista čića Rista,
ako nećeš izgorećeš.
Ovako se kupus gazi,
ako ne znaš a ti pazi.

Sviraj svirko makar crko
zašto si mi vamo vrko?
Sada sviraj do zore,
mene noge ne bole.

O rustling oak tree,
teach me to dance.
I want to get married,
but I still don't know how to dance.

Hey, a little Korova¹,
let's have a little Korova.
Well, play Korova music
so we can dance Korova.

Hey, hey laths,
oak ceilings,
pine fences!
The boys look at me!

Whom shall we and what shall we?
Oh woe, oh woe.
This one or that one or that one?
Oh woe, oh woe.

I have seen old women
getting kissed by the fence.
But I hugged my bridegroom
by the doorway.

Play Mista, old man Rista,
if you don't, you'll burn up.
This is how to walk on cabbage:
if you don't know it, then watch out!

Play musician, even if you die!
Why did you drag me back here?
Now play till dawn,
my feet don't hurt!

But when you should have brought me pleasure

Yesterday, when the dew was falling

I walked barefoot through the grass
my darling went to see another girl.

Čerešničky

Little cherries, little cherries, oh cherries,
you spilled and scattered all over the road!
Who will find you, who will pick you up?
Last night I had a lover!

He was handsome like a rose,
I picked him to be my mate.
I wouldn't let him work,
I'd only keep him as the rose.

As the rose, as the red rose,
I would be his beloved wife,
I would be his Lalia,
as my rose, my red rose.

Here is the month of May,
 flowers blowing in the breeze,
 flowers blowing in the breeze,
 the son of the king of Spain
 passes by, gathering them.

Chorus:

/ Jamais je n'aurai mon âge de quinze ans.
 Jamais je n'aurai mon amour de vingt ans. /

Never will I be fifteen again.
 Never will I have the love I had at twenty.

/ Le fils du roi d'Espagne

 Qu'il en ramasse tant,
 qu'il en remplit ses gants.

The son of the king of Spain
 passes by, gathering them,
 passes by, gathering them.
 He gathers so many,
 he fills his gloves with them.

/ Qu'il en ramasse tant
 qu'il en remplit ses gants,
 qu'il en remplit ses gants.
 S'en va les porter,
 à celle qu'il aime tant.

He gathers so many,
 he fills his gloves with them,
 he fills his gloves with them.
 He goes to bring them
 to the one he loves so.

 Et vous n' les porterez

Le maître de maison

/ Où reste-donc le maître de la maison? /

Il descend la rue,
oublie sa charrue,
bien qu'il serait temps
d'labourer les champs.

Where is the master of the house?

He goes down the street,
forgets his plow
even though it is time
to work the fields.

/ Où est donc la maîtresse de la maison? /

Elle fait la cuisine
sans oeufs, sans farine,
vend la poule au pot
et gard' le magot.

Where is the mistress of the house?

She is cooking
without eggs, without flour,
sells the boiled chicken
and keeps the dough.

/ Où reste donc le fils de cette maison? /

C'est un petit ange
qui chasse les mésanges
avec son pipeau.
Il crie comme un crapaud.

Where is the son of this house?

He is a little angel
who chases titmice
with his little pipe.
He sounds like a toad.

/ Où reste donc la fille de la maison? /

Elle est à la messe
et reçoit caresses
d'un ou deux amants
d'tout un régiment.

Where is the daughter of the house?

She is at mass
and is being caressed
by one or two lovers
out of a whole regiment.

/ Où est donc la servante de la maison? /

En battant la chatte avec sa baratte,
elle répand la crème partout
et le maître l'aime.

Where is the servant of the house?

Beating the cat with her butter churn,
she spills the cream all over
and the master loves her.

Bannielou Lambaol (Ridée)

This song is in Breton, the language of Brittany.

Me'm eus bet plijadur e Lambaol awechou
Oc'h ober tro an iliz gant an holl bannielou.

Chorus:

Hag a rae o dibab e-touez ar baotred vrao

I used to have so much fun at Lambaol once,
going around the church with all
the banners.

And dip them before the great altar,
then lift them back again straight in the air.

I had so much fun the day of the pilgrimage,
going around the cemetery with men
of good faith.

It was there we saw, when the wind was up,
who were the best to carry the banners.

As we passed on both sides of
the Grande Allée
the girls gave judgment in their soft voices.

They made their choice of the proud lads
who passed before them in their finest array.

He wanted so much, he wanted so much,

Fine guests have I none,

Coachmen, smugglers—lumberjacks,
matchmakers and farmhands,
they are my types.

I'm the innkeeper of Stein.
I always stay alone,
yep, all alone.
If I brought home a wench for a wife
who made eyes at the guests,
I'd become grouchy!

I'd like to dance,
if I had that girl;
Suserl doesn't want to listen,
no, not Suserl.

Because she is not allowed to go out alone,
because she is not allowed to go out alone,
this would be nice.
So I asked her mother
whether I can go out with Suserl.
She answered: Yes!

We are dancing today!
I'm so happy to have this girl.
Suserl is my joy

because she knows how to dance.
The music's playing, today I'm not stingy,
the music's playing, today I'm not stingy.
Dear boy,
now we are going to turn around
until the cock crows
for the first time (in the morning).

The dance is over,
it's time to go home.
I already anticipated the joy
of walking home with Suserl.

Dear boy, I'll walk with you alone,
dear boy, I'll walk with you alone,
on the path.
This path is so nice,
that we are going to stop
every now and then.

Yerakina, I shall take you out

Somogyi karikázó

Éva szívem Éva
most érik a szilva.
Terítve az alja.
Felszedjük hajnalra.

Bárcsak ez a hajnal
sokáig tartana
hogy a szerelemnek
vége ne szakadna.

Szerelem, szerelem
átkozott gyötrelém.
Miért nem termettél volt
minden falevélen?

Azért jöttem ide karikázni.
Na a babám itt találna lenni
keze lába kitalálna törni
nékem köllne arról számot adni.

Mit ér annak a legénynek élete
kinek mindig nadrágzsebben a keze?
Nem meri a lányokat megölelni
mert azt hiszi, hogy a fene megeszi.

Piros alma beleesett a sárba.
Beleesett a sáros pocsolyába.
/ Piros almát kiveszem és megmosom
a babámat százszor is megcsókolom. /

Éva, my heart, Éva,
the plum tree is now ripe.
Underneath are spread plums.
We will pick them up by dawn.

If only this dawn
would last a long time
so that our love
would never end!

Love, love,
Cursed suffering!
Why didn't you grow
on every leaf?

I came here to do the karikázó¹.
Should my sweetheart be here and
should his arms and legs break
by any chance,
I would be the one responsible.

What is the worth of a fellow's life
who always keeps his hands in his pockets?
He is afraid to embrace the girls
because he thinks the pox will take him.

A red apple fell into the mud,
fell into the muddy puddle.
I'll take out the red apple and wash it,
and kiss my sweetheart a hundred times.

Csanádi leánytánc

Aranyalmás az én selyem keszkenőm.
Van is nekem Csanádon szép szeretőm.

Meg a föld is reng amerre én járok.
Legény legyen kivel beszédbe állok.

Tiszta búzát szemezget a vadgalamb
de szépen szól a Csanádi nagy harang.

Azt veri az mind a két oldalára
a Csanádi leánynoknak nincs párja.

My silk handkerchief is the color
of a golden apple.
I have a handsome lover in Csanád.

Even the earth trembles wherever I step.
Whoever I talk to should be a strong young man.

The wild pigeon pecks at pure wheat,
but the big bell in Csanád sounds very
beautifully.

What it rings out to all sides
is that none are equal to the girls of Csanád.

Oláhos

A barátok, a barátok,

Azok élik világukat
akik ketten hálnak.
/ Lám én szegény árva gyerek

Akármerre kaparászok

A csikósok, a gulyások
kis lajbiban járnak.
Azok élik világukat
akik ketten hálnak.
Lám megmondtam, Angyal Bandi,
ne menj az Alföldre.
Mert megtanulsz csikót lopni,
s elhajtanak érte.
De már mostan jó van dolgom,
nem parancsol senki:
Mikor mondják , „Mars ki, Jankó!”
nekem ki kell menni.

The monks, the monks
walk about in wooden shoes.
The ones who enjoy their lives
are those who sleep in twos.
I am a poor lonely child,
I sleep alone.
No matter which way I stretch
I only touch walls.

The horseherds, the cowherds
go about in small vests.
The ones who enjoy their lives
are those who sleep in twos.
Bandi Angyal¹—haven't I told you—
don't go to the lowlands.
Because you'll learn to steal colts,
and you'll be banished because of that.
But now I am having a good time,
nobody's ordering me around:
When they tell me "Get the hell out,
Johnny!"
I must go out.

Adjон az Isten

Adjon az Isten szerencsét,
szerelmet, forró kemencét
üres vékámba gabonát,
árva kezembe parolát,

lámpámba lángot, ne kelljen
korán az ágyra hevernem,
kérdésre választ ő küldjön,
hogy hitem széjjel ne dűljön,

/ adjon az Isten fényeket,
temetők helyett életet—
nekem a kérés nagy szégyen,
adjon úgyis, ha nem kérem. /

—Nagy László

Let God give luck,
love, hot ovens,
wheat into my empty barns,
a handshake into my orphaned hand,

flames into my lantern
so that I don't go to bed early.
He should send an answer to my question
so that I don't lose my faith.

Let God give light,
life instead of cemeteries—
I'm ashamed to ask
so give without asking.

Ne félj lányom, ne félj,
mert én eladtalak.
Kinek anyám, kinek?
Egy csobán legénynek.

Nem kell anyám, nem kell,
nem tudok aludni.
Hát mé' lányom, hát mé'?
A sok juhbőgéstől.

Ne félj lányom, ne félj,
mert én eladtalak.
Kinek anyám, kinek?
Egy deák legénynek.

Nem kell anyám, nem kell,
nem tudok aludni.
Hát mé' lányom, hát mé'?
A sok imádságtól.

Don't fear, daughter, don't fear,
because I sold you.
To whom, Mother, to whom?
To a poor lad.

I don't want him, Mother, I don't want him,
I can't sleep.
And why, daughter, and why?
From all the sheep crying.

Don't fear, daughter, don't fear,
because I sold you.
To whom, Mother, to whom?
To a student.

I don't want him, Mother, I don't want him,
I can't sleep.
And why, daughter, and why?
From all the prayers.

Menet tánc

Elmennék én babám tihozzátok egy este
ha a kutyád övidre volna kötve.
Kösd meg babám a tutyádat rövidre rövidre
ne ugasson babám becsületes legényre.

Elmennék én babám tihozzátok egy este
ha az ágyad puhárvolna vette.
Vesd még babám az ágyadat puhára a falig
mert én itt maradok holnapután reggelig.

Mégegyszer elmennék tihozzátok egy este
ha a házatok szemetes nem lenne.
Rámás csizmám felveri a szemetet szemetet
Hogy kössem le babám véled az életemet.

I would like to visit you, darling, one evening
if only your dog were tied up on a short leash.
Tie up that dog, sweetheart, on a short leash,
on a short leash
so that it doesn't bark at an honest lad.

I would like to visit you, darling, one evening
if your bed were softly made up.
Make your bed, darling, softly up against the wall
because I intend to stay there till morning
after tomorrow.

I would like to visit you again, one evening,
if only your house weren't full of debris.
My boots throw up the dirt, the dirt kicked
up from the floor.
How could I tie my life to yours, my darling?

Dear God, how cheerful I used to be when
my lover used to pass by my gate. She
stopped walking by and I don't know
what happened.
She would like to, but her mother doesn't let her.

Sej Haj! Our house is painted yellow.
The cimbalom player visits every Saturday night.
He plays in my ear the same song over again
on the cimbalom—
Sej haj! "Don't think, sweetheart, of your old lover."

Sej haj! It's raining and thundering.
Lightning hit the thatched tavern in Kisbékás.
The tavern is on fire; there's no music, nor
cimbalom.
Sej Haj! Still my sweet dove is out merrymaking!

Again the flock streams
through the entrance of the village.
And the dust rises
from dirt paths.

And far away a pair of bells
accompanies the lengthening of the shadows.
Evening has come.

Again the wind whispers
among the garden fences.
And in the tops of the cypress trees
doves are already sleeping.

And far away, the last rays of sunlight still
kiss
the shoulders of the hills.
Evening has come.

Again the rose dreams
its dreams in secret.
And stars flower
little by little in the sky.

And far away, in the dark valley,
the jackal accompanies the coming of night.
Night has fallen.

yellow desert without a path.
A caravan passes, moving silently,
like a dream there, so strange.

The tinkling of bells rises and falls rhythmically.
Camels plodding through a depressing landscape.

Din dan din dan, this is the song of the wanderer,
to carry without a murmur, beat the drum
and march on.

the rocks will echo our coming.
A bright shining sun

To the desert—land without water.
O my land, we have returned to you.

Salt-filled lands, wind and wrath,
the warriors returned like a storm.

Many years ago they heard in the land of Israel
the sounds of melody, singing, and psalms,
music unequalled with a beautiful tune,
like the song of a nightingale in the trees.

This is the lyre of David, in the hand of
David the king,
plucking the strings.
As his heart is glad with wine, until evening
he accompanies his songs.

Many years ago in the gates of Jerusalem
Michal stood ecstatic at the window.
She watched the path with bright eyes,
for David danced, with his lyre in hand.

Many years have passed, but in the praises of psalms
the strings of David's lyre still ring.
They say there is a place the righteous go
where David's lyre can be heard come evening.

Fred Abud,

Fred Abud had fifteen camels,
 three of them knew calculus.
 Fred said "It'll cost fifteen camels!"
 or else he'd have to take the bus.

Fifteen camels, Fred Abud,
 I wouldn't pay that if I could.
 Egged's got a cheaper rate
 even if you get there three days late.

Shove it off your plate when your mother serves pizza.
 She don't know that it don't taste good.
 She don't know that the law of the desert says
you can't serve pizza to Fred Abud!

I was a poor boy running in the desert,
 eating a zucchini
 Fred's got a mother not quite like any other.
 She kept on trying to feed me
 humous and tehina,
eat your clementina,
 hit that ballerina, play your

Now Jericho secured itself before the children of Israel.
 The priests carried the ram's horn
 and the people went out and surrounded the wall
 with the tribes of Reuben and Gad in the vanguard.
 The shofar trumpeted a mighty blast
 and the wall of Jericho collapsed beneath her.

The kings of the Emorites assembled, and brought with them
 a multitude as numerous as the grains of sand on the seashore.
 Joshua came upon them suddenly
 and, in Gibeon, said to the sun, "Halt!"
 The moon stood still in the valley of Aijalon
 and the kings of Lachish and Eglon fled.

Joshua smote the king of Dor

 and the king of Adullam and the king of Hebron
 and the king of Achshaph and the king of Samaria
 and the king of Horma and the king of Arad,

Go, dove, and listen to me,
with the harp of my playing.
And open your mouth and sing
a heavy song.

And hurry and don't turn
to the path of your enemy.
Take food and let's go.
We'll eat delicacies and be satisfied.

And we'll sing on the lyre
and our song will go forth,
and we'll enter into a garden,
climb up a palm tree
and grab its fronds,
and we'll eat its fruit.

The love of Hadassah (Israel) is tied to my heart
and my steps are sunk deep in the exile.

If I could I would go up and join
within the gates of Zion which are praised.

Morning and evening I'll remember the
daughter of Israel.
My heart and thoughts are shaken with desire.

With music of psalms I'll wake up from wandering,
My love and I will sing for joy.

He gave its holiness for the first generation.

I shall pray to God evening and morning,

Cicerennella (Neapolitan tarantella)

Qualche mago, qualche fata
 Cicerennella s'ha rubata
 uhe guaglione piccerilli
 Vui avite da strillà.

Suone e cante, alluche e strille
 fin che s'aggiada trovà
 Cicerennella, Cicerennella
 Cicere Cicere Cicerenne.

Cicerennella, chi s'a pigliata?
 Cicerennella, Cicerenne,
 Cicerennella, chi s'a pigliata?
 Cicerennella ca nun ce sta.

Se nun te trovo, Cicerennella,
 Cicerennella, Cicerenne,
 se nun te trovo, Cicerennella,
 Voglio ca subito presto muri!

Some magician, some fairy
 has taken Cicerennella away
 and a young street urchin
 is shouting.

Sounds and songs, screams and yells,
 until we find her
 Cicerennella, Cicerennella,
 Cicere Cicere Cicerenne.

Cicerennella, who has taken her?
 Cicerennella, Cicerenne
 Cicerennella, who has taken her?
 Cicerennella is not here.

If I don't find you, Cicerennella
 Cicerennella, Cicerenne,
 If I don't find you, Cicerennella
 I want to die right away!

Tarantella di Peppina

Chorus:

Come son bello-lo,
Come sei bella-la,
dimmì la ballo-lo, la tarantella-la.
Oh Pippinella la tarantella,
oh balla bella, balla bella, balla con me.

How handsome I am,
how beautiful you are.
Tell me the dance, the tarantella.
Oh little Peppina, the tarantella,
dance, beautiful girl,
 dance with me!

'A ballamo la tarantella,
la ballamo a' la paisana,
la ballamo alla siciliana,
che di meglio non ci sta.
Oh Pippinella, balla bona
che la gente sta a guardare,
a la vesta non pensare
se de' sopra se ne va.

Let's dance the tarantella,
let's dance it the old country way,
let's dance it in Sicilian fashion,
'cause that's the best.
Oh little Peppina, dance it well
because people are watching.
Don't think about
your skirt going up.

Oh guarda, balla lu ziu Ninu
co' Beatrici balla bona.
'A tarantella è un bellusone
ed è un piaciri de ballà.
Salta, salta, Pippinella
che cun mia nun po' cascare.
Ma te voglio ricordare
li miei piedi di papà.

Oh look, your uncle Nino
dances well with Beatrice.
The tarantella is a good sound
and a delight to dance.
Jump, jump, little Peppina,
'cause with me you can't fall.
But I want to remember you,
my father's feet!

Oh se a ballando un po' si suda,
Pippinella lassa stare.
'A tarantella fa passare
tutti i guai che ci so
e di guai ce n'è tanti
Pippinella bella bella,
oh chi ci vole la tarantella
po' non morire e campà.

Oh, if dancing makes you sweat a bit,
little Peppina, don't worry about that.
The tarantella makes
all worries disappear,
and there are plenty of troubles.
Little Peppina, beautiful, beautiful,
he who wants the tarantella
can't die but live!

Lipa ma Marýca

This song is in the Rezian dialect of Slovenian.

Lipa ma Marýca,
Rýnina si ty.
Ko ta-na Rüšće pójdeš,
u fýlo óon ti pryt.

Ko ta-na Rüšće si došýl,
Marýca me je ni.

Te hüdi júdi so paršlý,
Marýco so neslý.

Či bej to bila háuža,
to bila mákoj ma.

Ja měšon bil se zbüdil,
da drúgin na plažá.

Za ne pryt notou hýšy,
ta-z gözd ja si jo dal.

Za prý horë u Zagáto,
tri óre ja si stal.

Lipa ma Marýca,
lipa ti si ty,
lipa ti si bila,
lipa ti češ byt.

My beautiful Marýca,
you are Rýnina's (girl).
When you go to Rüšće
I'll come to serenade you.

When I arrived in Rüšće,
there was no sign of Marýca.

Bad people had come
and taken Marýca away.

What was the reason?
I was the only reason!

I should have known that
others fancy her too.

So as not to enter the house,
I ran into the woods.

It took me three hours
to get to Zagáto.

My dear Marýca,
you are beautiful,
you always were beautiful,
you always will be beautiful!

Iz dolu ide (Lesnoto)

/ Iz dolu ide edno nevestence, / belo,

/ Oj male male, stara le male, /
što ti me, male, ot nego razdeli,
ot nego razdeli celi tri nedeli?

A maiden walks along,
fair and rosy,
slender and tall.

As she walks she doesn't touch the ground,
she doesn't bend her head, she looks at me.

She looks at me with dark eyes,
with dark eyes, dark as cherries,
with slender eyebrows like silk lace.

Oh old mother,
why have you kept me from her,
kept me from her three whole weeks?

Što mi e milo (Lesnoto)

/ Što mi e milo, milo i drago

Chorus:
/ Lele varaj, mamo, mome Kalino,
vo Struga grada, mamo, dukan da imam.¹ /

/ Na kepencite, mamo, da sedam

/ Koga na voda, voda mi odat

How pleased and happy I would be
to have a shop in the town of Struga.

Hey, Kalina.

To sit in front of my shop
and watch the girls of Struga.

When they go for water
with their bright-colored jugs.

To that cold well
to meet there with their friends.

¹The second line of each verse is repeated in the chorus.

Mi go zatvorile (Lesnoto)

Mi go zatvorile mladiot Jordanče
/ mi go zatvorile vo temni zandani. /

Vo zandani ima voda do kolena,
/ voda do kolena, kosa do ramena. /

Vreme de ke dojde¹ Jordan da se pušta,
/ pravo on si trga vo negovo selo. /

Koga dojde Jordan do domašni porti,

Koga go dočula negovata majka,

“Kade mi je, majko, mojto verno libe,
/ porti da otvori, mene da pregrne?” /

“Tvojto verno libe snošti se omaži,
/ za tvojot komšija, za tvojot pobratim.” /

¹Another version has Koga dojde vreme here.

Young Jordan was imprisoned,
imprisoned in a dark dungeon.

In the dungeon the water reached his knees,
and his hair reached his shoulders.

When the time came that Jordan was freed,
he went straight to his village.

When Jordan reached the door of his house,
he knocked twice and called out three times.

When his mother came,
she opened the door and embraced her son.

“Where, mother, is my true love,
to open the door and embrace me?”

“Your true love was married last night,
to your best friend, to your blood-brother.”

Bitola, mo j roden kraj (Lesnoto)

Bitola, moj roden kraj,
vo tebe sum roden, mene si mi mil.

Chorus:

Bitola, moj roden kraj,
jas te sakam od srce znaj.
Bitola, moj roden kraj,
jas te sakam, za tebe peam.

Ej roden kraj, koj bi možel
zbogum da te reče, da ne zaplače?

Mnogi sela i gradovi jas projdov,
kako tebe poučav nigde ne najdov.

Vo tebe sum odel, gol i bos,
vo tebe porasnav, jas ne sum ti gost.

Bitola, my birthplace,
I was born in you, you are dear to me.

Bitola my birthplace,
know that I love you from the heart.
Bitola, my birthplace,
I love you, I sing of you.

Hey, birthplace, who could possibly
say goodbye to you and not cry?

I have passed through many towns and cities.
I have nowhere found one more beautiful than you.

I have walked in you, naked and barefoot.
I grew up in you, I am no stranger.

Oj ti pile (Lesnoto)

Oj ti pile, slavej pile,
ja zapej mi edna pesna,
ja zapej mi edna pesna,
edna pesna žalovita.

Što se čuje na daleku,
na daleku preku Vardar?
Tam se bije slaven junak,
slaven junak Pitu-Guli.

Oh bird, nightingale bird,
sing me a song,
sing me a song,
a mournful song.

What's that we hear far away,
far beyond the Vardar?
There fights the glorious hero,
the glorious hero Pitu-Guli.

Prsten mi padne

Prsten mi padna, male,
prsten mi padna,
prsten mi padna, male,

otade reka, male,

Ovčar pomina, male,

Taksaj mu, taksaj Nešo,
Što kće mu taksaš?
Taksaj mu, taksaj, Nešo,
beloto lice.

Što kće mu taksaš, male?
Crnite oči.

I da mu taksam, male,
fajda si nema.

My ring fell, mother

on the other side of the river,

on the other side of the river, mother
in the sand.

In the sand, mother,
by moonlight.

A shepherd passed by, mother,
he found it for me.

Promise him, Neša,
what will you promise him?
Promise him, Neša,
your fair face.

What will you promise him, mother?
Your dark eyes.

And if I promise him, mother,
it will do him no good.

He throws a bomb into the village.

The villagers call out,
 "What is this that Ordan's done,
 Ordan Piperkata?"

Ordan carries a piece of holy wood.
 A bullet will not pierce him,
 a sword will not cut him.

Dance and song, sun and love

The whole Macedonian people has gathered
to celebrate arm in arm as brothers.

Do you see, dear Skopje, do you hear?
They're singing a Macedonian song!

Makedonsko devojče (Kosovsko lesno oro)

Makedonsko devojče,
kitka šarena,
vo gradina nabрана,
dar podarena.

Macedonian girl,
many-colored bouquet,
gathered in the garden,
given as a gift.

Chorus:

Dali ima n' ovoj beli svet
poubavo devojče od makedonče?
Nema, nema neke se rodi
poubavo devojče od makedonče!

Is there in this wide world
a more beautiful girl than a Macedonian?
There isn't, there isn't, there won't be born
a more beautiful girl than a Macedonian!

Nema dzvezdi po-lični
od tvoj'te oči.
Da se noke na nebo

There are no stars more beautiful
than your eyes.
They light up the night sky
as if it were dawn.

Koga kosi razpletiš
kako koprina
lična si i polična
od samovila.

When you undo your hair
like silk,
you are lovely,
lovelier than a fairy.

Koga pesna zapee,

Koga ora zaigra,
sreć razigra.

When you sing a song,
you outsing the nightingale.
When you start to dance,
your heart dances.

Janino oro

Izlegla Jana po pole,

dali e pole stasalo.

Jana went out into the field,
to see the field,
whether the field was ripe.

Ako je pole stasalo,
da fati Jana argati,
argati mladi žetvari.

If the field was ripe,
Jana would get the farmhands,
the farmhands, the young reapers.

Argati mladi žetvari,
da žnijat bela pšenica,
da jadat bela pogača.

The farmhands, the young reapers,
to reap the light-colored wheat,
to eat the white bread.

Žalna majka (Lesnoto)

Žalna majka, v sebe plače,

Blagoj Petrov Karaǵule,

/ Ah, edinec moj ti,

Stani, čedo, pej mi pesna,

The grieving mother weeps to herself
and consoles her grandchildren.
The aching in her heart is unbearable,
but she smiles at them.

Ah, sleep my grandchildren,
he will come back again.
He will sing to you of Bitola,
of our native town.

The grandchildren sleep, the mother weeps,
tears pour from her eyes.
Where are you, my son, to see them,
your dear children?

Ah, your children are sleeping,
and in their dreams they hear your singing.
Get up, my son, and see them,
get up, my son.

The mother weeps, her tears flow,
she mourns her son,
Blagoj Petrov Karaǵule,
in her thoughts she caresses him.

Ah, you are my only one,
you are the pain in my heart.
Get up, child, sing me a song,
get up, do not sleep.

The famous Macedonian singer Blagoj Petrov Karaǵule was killed in the 1963 Skopje earthquake.

Dodek je moma pri majka,

Do tu je odila šetala,

While a girl lives with her mother,
she is fair and rosy.

She goes walking,
she sings girls' songs.

She sings girls' songs,
dances girls' dances.

She gets engaged, turns black (unhappy),
gets married, is buried.

And what are father-in-law, mother-in-law?
They are black ink (unhappiness).

And what are brother-in-law and sister-in-law?
They are yellow dye (sickness).

And what are the little children?
They are little chains.

And what is the many-colored bouquet?
It is her true love (husband).

Rabbit made a plan, popeyed Rabbit,
that he would get married, hot-shot Rabbit.
He pulled on his trousers, twirled his moustache,
Got into his jacket and his fez.
hey, just like a bridegroom!

Rabbit got engaged to Widow Fox,
a flowery bouquet, a spoiled pet,
a well-known fussy eater, an avoider of work,
the village fussbudget!

Rabbit invited his wedding party:
a she-bear butcher, a she-wolf godmother,
a frog to play zurla, a hedgehog for drummer
a ram for bookkeeper, a watchdog wedding-crier.
Popeyed Rabbit
pulled on his trousers, twirled his mustache,
got into his jacket and his fez.
Hey, just like a bridegroom!

Then Rabbit set off through the region
of Salonika
to see Widow Fox.
There Rabbit found, instead of a sleek fox,
a hen with chicks, a heavy dowry,
it looks like the bride!

When Rabbit saw this wondrous wonder,
Rabbit flew back on his tracks.
Then Rabbit met with two or three hunters,
and they had guns,
and hunting dogs!

Rabbit shot off running,
lost his trousers, messed up his mustache,
threw off his jacket, cried out,
“Hey, I’m not a bridegroom!”

Tri godini (Devetorka)

Tri godini se ljubevme,

Chorus:

Zar ne ti je žal, bre libe, aman i za mene?
Jas da umram se zaradi tebe.

Tebe te nosat na venčilo,

Tebe ti čukat tapanite,

Tvojta majka pesni pee,
mojta majka solzi lee.

Three years we loved each other,
we never exchanged a harsh word.

Doesn't it make you sorry for me, love?
I am going to die all because of you.

They are leading you to the altar,
me, my dear, to the gallows.

They are sounding the (wedding) drums
for you;
for me, my dear, the (death) bells.

Your mother sings songs,
my mother weeps tears.

Our village is a good village,

Yesterday he said so, now he doesn't want to;
and Aunt Sava won't agree to it at all!

They wouldn't agree and wouldn't agree,
and finally they did agree.
They betrothed fair Neda—
she's as fair as an Arab,
as thin as a bear.

They put her in the carriage;
the carriage started to creak.
The carriage started to creak;
the buffalo staggered along (pulling it).

When they got going with Neda in it,
it broke in two.
It broke in two,
and the buffalo were frightened.

Bolen leži mlad Sto jan (Lesnoto)

Bolen leži mlad Stojan,
bolen leži i ke umre.
Nad glava mu mldata nevesta,
s maško dete na race.
Solzi rani, solzite i kapat,
po Stojanovo lice.

Stojan se porazbudi,
i tiho i govori:
“Neveno li, ti mleta nevesto,
što mi ladi licevo.
Dali sitna rosa podrosuva,
ili silni doždovi?”

A Nevena mu veli:
“Stojane, bre stopane,
nitu sitna rosa podrosuva,
nitu silni doždovi.
Mojve solzi po lice ti kapat,
od selanski nepravdini.

Sinojka kaj češmata,
selani se zbiraja.
Zbor zborveja, koga ti ke umreš
dete da mi zadavat,
mene me grabnat, daleku odnesat,
za pari me prodadat.”

Young Stojan lies sick,
he's sick and will die.
At his head is his young wife,
with a baby boy in her arms.
She weeps, her tears fall
on Stojan's face.

Stojan wakes
and says softly to her:
“Nevena, my young wife,
what is it that cools my face?
Is it the fine dew falling,
or strong rain?”

And Nevena says to him,
“Stojan,
it is neither the fine dew falling
nor strong rain.
My tears are falling on your face
because of the injustices of the villagers.

Last night by the fountain
the villagers gathered.
They said that when you die,
they will drown my child,
seize me and carry me far away,
and sell me for money.”

Na wierzbowym listku (Ada's kujawiak no. 1)

Na wierzbowym listku słowik list pisze,
a gdy już napisał, przerwał wiatr cisze,
przerwał listek, przerwał, zaniósł go wiośnie,
potem przysiadł na sośnie.

I skinęła ręką i wnet wyszło słońce,
słowik strzepnął piórka i po lące
dana, dana poszła piosnka
od samego rana.

Książyc już się jasną czapką chmur sklonił,
kiedy wiosna listek wzięła w swe dłonie,
przeczytała słowa, w których był smutek,
żal słowika i nuty.

The Nightingale wrote a letter on a willow leaf, when he finished it the wind interrupted the silence, the Nightingale cut off the leaf and carried it to spring and then sat on a pine.

Spring waved her hand and the sun came out,
the Nightingale fluttered his feathers
and a song “dana, dana” burst forth in the meadow
on that morning.

The moon already bowed with his light cap of clouds
when Spring took the leaf in her hands
and read the words which contained
the sadness and sorrow of the Nightingale
and musical notes.

Hei, drăguţ car cu patru boi,
hei, mult mi-e drag mie de voi, mă.
Mi mai drag de cin' vă mînă,
că ţine biciu-ntr-o mînă, hei,
şi trozneşte, bocăneşte, hei,
şi mîndruţa şi-o iubeşte. Hei,
mîndruţo, ce te-aş bate, hei,
dar mi-s mîinile legate, hei,
cu un fir da aş neagră, hei,
nu te pot bate de dragă.

Cry for me, mother, in longing,
for I was your strong son.
I took care of you,
I wove your carpet.
But since I've been made a soldier
my life has been poisoned,
and I wander in foreign lands.
I shall die thinking of you!
How I long, mother,
for that brotherly forest,
for that land I have left,
for that forest grown unfamiliar to me.

"Hey sweet little carriage with four oxen,
I like you very much!
I like even more the one who drives you,
who holds the whip in one hand
and snaps and cracks it
and loves his sweetheart."
"Hey sweetheart, I would beat you,
but my hands are tied
with a line of black thread.
I can't beat you, out of love."

Mîndra mea de la Ciubud (De-a-lungul)

Mîndra mea de la Ciubud,
multe vorbe-n sat se-aud.
Spune lumea pe la noi
că fac seara drum pe voi, mă.

Spune lumea, bat-o-vina
c-ar fi ochii tăi pricina.
Ochii tăi ca două mure
inima vor să mi-o fure.

Dar eu lumii-n ciudă-i fac
cînd le spun că ochii-mi plac.
Ș-o! veni mai des la voi
să-ți dau, mîndră, buze moi, măi.
Să-am să te cer de mireasă
mîndra mea, floare aleasă.

My sweetheart from Ciubud,
rumors are flying in the village.
The world is saying that I keep going too often
in the evening to your place.

People are saying, God bless them,
that your eyes may be the reason.
Your blackberry eyes
want to steal my heart.

But to spite them,
I keep telling them I like your eyes.
I will come to visit you more often,
to kiss you, my sweetheart, with my soft lips,
and I will ask you to be my bride,
my sweetheart, my chosen flower.

Învîrtita din Luna-Turda

Că ți-oi fi, badița dragă,
cu păru-n năframă albă,
cu flori roșii podobită
ca să știi că-ți sunt iubită.

Că și io, bade, ți-oi coase
tot cu fire de mătase
pe cămașa ta cea albă
multe flori care-o să-ți placă.

Chiu, fete, și-om cîntă
pînă ne-om împreuna
și-om munci, munci cu spor
împreună pe ogor.

Amîndoi ne vom iubi
viață nouă ne-om clăddi,
viață în gospodărie,
tineri-n tovărășie.

I will be, dear sweetheart,
with my hair in a white kerchief,
adorned with red flowers
so that you know I am your beloved.

I will also stitch for you, my sweetheart,
all with silken thread
upon your white shirt
many flowers that you will like.

Shout, girls, and we will sing
until we are united.
And we will work, work prosperously
together in the field.

Both of us will love each other,
we will build our new life,
our life in the household,
young in our comradeship.

Each line ends with
La, la, la, la, la, la, la, la, la.

Hey you guys, dance it like that
until my girl catches up.

Întăriți-o liță lus
c-ajunge acuș, acuș.

Play it again a bit faster now,
because she's already outdone me.

Mai întăriți-o de un pas,
c-ajuns și n-a rămas.

Play it again, one more step,
she caught up and then went on.

Două fire, două paie,
luăți ciuleandra la bătaie.

Two stalks, two husks,
beat ciuleandra as fast as you can.

Tot aşa că nu mă las,
că sănt cu puica de-un pas.

Play it like that, I won't give up.
I'm at the same place as my girl.

Două fire, două paie,
luăți ciuleandra la bătaie.

Two stalks, two husks,
beat ciuleandra as fast as you can!

Ca la Baltă

Uite-o, uite-o.

“Hey! Full, full is my box,
I’ve got cotton and brocades, too!
Have pity, my sweetheart,
on a fellow’s shoulder.

“Come, come out into the field of
high-growing rye.
I will wait there till nightfall,
and when I see my black-eyed beauty,
I’ll spread out all my wares.

“I paid good prices for them. Don’t
bargain, don’t be stingy, come, hold
out your bright red lips, nestle
closer to your sweetheart.”

The misty night has fallen,
the bold young fellow is waiting.
Hark, here she comes! She has come,
the beloved.
And the peddler sells his wares.

Katya bargains with discretion,
afraid of paying too much.
The boy kisses the girl
and begs her to raise the price.

The night alone
knows how they came to terms.
Straighten up, high-growing rye
keep your secret faithfully!

“Hey, light, light is my box,
the strap doesn’t cut into my shoulders!
Yet all my sweetheart took
was a turquoise ring.”

Korobeinikov (“The Peddlars”) by Nikolai

Mairi's wedding

Chorus:

Step we gaily on we go,
heel for heel and toe for toe,
arm in arm and row on row,
all for Mairi's wedding.

Over hillways up and down, myrtle
green and bracken brown, past the
sheiling through the town, all for
the sake of Mairi.

Red her cheeks as rowans are,
bright her eye as any star,
fairest of them all by far,
that's our darling Mairi.

Plenty herring, plenty meal,
plenty peat to fill her creel,
plenty bonnie bairns to weel,
that's our toast to Mairi.

Road to the Isles

Oh, a far croonin' is a-pullin' me away
as take I wi' my cromak to the road.
Oh, the far Coolins are puttin' love on me
as step I wi' the sunlight for my load.

Chorus:

Sure, by Tummel and Loch Rannoch and
Loch Aber I will go,
by heather tracks wi' heaven in their wiles.
If it's thinkin' in your inner heart the
braggart's in my step,
you've never smelt the tangle o' the Isles.

It's by Sheil water the track is to the west,
by Aillort and by Morar to the sea.
The cool cresses I am thinkin' o' for pluck,
and bracken for a wink on Mother's knee.

It's the blue islands are pullin' me away,
their laughter puts the leap upon the lame.
The blue islands from the skerries
to the lews
wi' heather honey taste upon each name.

Šano dušo (Vranjanka)

Šana, my soul, open the door to me,
open the door to me and I will give you coins.

My heart is burning for you, Šana.

When night comes, marvelous Šana, I twist
in sadness.

Your beauty, Šana, will not let me sleep.

Your fair face, Šana, is snow from the mountains,
your forehead, Šana, is like moonlight.

That mouth of yours, Šana, like a deep red sunset.
That eye, my darling, makes me burn.

Come, pretty Mara, the master is thirsty.
There's water in the well, a cup in the

Come, pretty Mara, the master is sick.

To ne beše bela loza vinova

Već to beše dvoje mili i dragi,

The white wine grapevine wound
 around the fence.

Todor tricked Toda,
 kissed the girl three times.

That was not the fair grapevine
 around the fence.

Rather, that was two lovers,
 two lovers.

Alternate last verse:

Već to bilo dvoje milo i drago,
 / dvoje milo i drago./₃

Ajde Jano, kolo da igramo,

Ajde Jano, kuću da prodamo,

Da prodamo, samo da igramo,
 / da prodamo, Jano dušo, samo da igramo. /

Come on, Jana, let's dance the kolo.

Come on, Jana, let's sell the horse.

Come on Jana, let's sell the house.

We'll sell them just so we can dance.

Šetnja

/ Dodi Mile u naš kraj –
pa da vidiš šta je raj. /
/ Hej, haj, u naš kraj
pa da vidiš šta je raj. /

/ Prode, Mile, propeva –

/ Hej, haj, propeva
i volove protera. /

Come, Mile, to our region
to see what paradise is like.
Hej, haj, to our region
to see what paradise is like.

Mile passes through and starts singing
as he drives his cattle.
Hej, haj, starts singing
as he drives his cattle.

Tamo daleko

/ Tamo daleko, daleko kraj mora,
tam je selo moje, tamo je ljubav moja. /

/ Tamo daleko gde svetu nema kraj,
tamo su deca moja, tamo je pravi raj. /

/ Tamo daleko, kraj Save i Dunava,
tamo je selo moje, tamo je ljubav moja! /

Far off there, far off by the sea
there is my village, there is my love.

Far off there where there's no end to the
world,
there are my children, there is true paradise.

Far off there, next to the Sava and Danube,
there is my village, there is my love,

Daleko sam ja, daleko si ti

/ Svud je cveće, svud mirišu jorgovani,
ja se pitam gde su naši sretni dani. /

Chorus:

Daleko sam ja, daleko si ti,
daleko smo sad moja ljubavi.
Daleko sam ja, daleko si ti,
daleko su sad naši davni sni.

Flowers are everywhere; lilacs smell sweet.
I wonder where our happy days went.

I am far away, you are far away.
We are far away now my love.
I am far away, you are far away,
so far away are our ancient dreams.

/ Sečaš li se nekada smo sretni bili?
Voleli se, ljubili se i grlili. /

Ljubav naša prode kao tople kiše,
i proleća našeg nema, nema više.

Do you remember how happy we once were?
We loved each other, we kissed and embraced.

– Our love passed as the warm rains
and our spring is gone, it is no more.

Ramo, Ramo

Kad sam sreo druga svog,
prijatelja jedinog,
najsrećniji beše dan,
jer ne bejah više sam.

Pesma nas je tešila,
tuga nam se smešila.
Ali vihor sudbe zle
od mene ga odvede.

Chorus:

/ Aj Ramo,
Ramo, Ramo druže moj,
Ramo, Ramo druže moj,
da li čuješ jecaj moj? /

U tami sad živim sam
ko ugašen sunčev plam,
jer ti si otišao
bolji život našao.

Al' ja ipak nadam se
i zovem te: Vrati se!
Vrati mi se, Ramo, ti
sudbine smo iste mi!

When I met my friend,
my only friend,
it was my happiest day
since I was no longer alone.

Song has comforted us,
sorrow has smiled on us.
But the wind of wicked fate
sent him away from me.

Hey Ramo,
Ramo, Ramo my friend,
Ramo, Ramo my friend,
do you hear my lament?

I'm wandering and living alone
as a burnt-out sun's flame
since you left
and found a better life.

But I'm still hoping
and calling you to return.
Come back to me, Ramo,
our destinies are the same.

*Serbian Medley #1***Jelke**

/ Jelke tamničarke, ostavi tamnicu, /
 / ostavi tamnicu mladom tamničaru. /
 / Hajde da igramo, hajde da pevamo. /

Jelka, jailor-woman, leave the jail,

 Come let's dance, come let's sing.

Poskok

/ Hajd' povedi veselo naše kolo šareno! /
 / Momci, cure, u kolo, nek' se ori veselo! /

Come, gaily lead our colorful kolo!
 Lads, lasses to the kolo! Let it resound with joy!

Ti momo, ti devojko

Ti momoj ti devojko,
 ti moga brata mamiš,
 na twoje belo lice,
 na twoje čarne oči.

Sam se je prevario,
 na moje belo lice,
 na moje čarne oči,
 na moja medna usta.

You maiden, you girl,
 you are luring my brother
 with your fair face,
 with your dark eyes.

He has fooled himself
 with my fair face,
 with my dark eyes,
 with my honeyed lips.

Durđevka

Oj devojko, duša moja
 šta govori majka tvoja?
 Oće l' tebe meni dati?
 Oće l' mene zetom zvati?

Ne da mene moja nana.
 Ne da još godinu dana.
 Neće mene tebi dati.
 Neće tebe zetom zvati.

Oli dala il' ne dala
 ti se moja uvek zvala.

Oh girl, my darling
 what does your mother say?
 Will she give you to me?
 Will she call me son-in-law?

My mama won't give me.
 She won't for another year.
 She won't give me to you.
 She won't call you son-in-law.

Whether she gave or not
 you would always be mine.

Igra kola do kola,
ne haje za Stambola.

Heroes have danced
within the land of Serbia.

One little kolo after another;
it can be heard all the way to Istanbul.

A flute plays from the valley,
the flute of my falcon.

Dancing kolo after kolo;
don't give a damn for Istanbul!

For George, for Mike,

Come, my lad, come.

You like to look at others.
Do not pick green rosemary for me,

Singing hambo

Spel opp, ni spelemän, en hambo
för mig och min brud.
Vi har tillsammans bara denna natt,
för i morgon bitti så är vi skilda.
På livets ocean vi möttes,
och kärlekens bud
det är att finna lyckans ögonblick
denna korta natt som vi fått bli stilla.

Tryck dig intill mig tätt,
min lilla hjärtevän,
om du häller av mig.
Låt mig få njuta
fullt av den stulna lycka
som stunden gav mig.
Genom din tunna blus
förfnimms varenda slag av
ditt unga hjärta.
Som slår i takt med mitt,
rört av samma oro
och samma smärta.

/ Skall du minnas när jag farit
än en vecka vad som varit?
Kyssarna du fått och att i natt det är
mig du häller kär,
mig som du är nära.
Öka spelmän öka takten.
Snart så randas morgonvakten
då är ruset över då är febern slut.
Så, öka spelmän öka takten. /

Play, you musicians, a hambo
for me and my bride.
We have together this night only,
for tomorrow we will be separated.
We met on the ocean of life,
and the law of love
is to find the happiness of the moment
this brief night of rest.

Come close to me
my little darling,
if you are fond of me.
Let me enjoy
fully the stolen happiness
which this moment brings.
Through your thin blouse
every beat of your
young heart is felt.
It beats in unison with mine,
moved by the same worry
and the same pain.

Will you remember when I'm gone
still another week what has been?
The kisses you have gotten and tonight it is
me whom you love,
me whom you are near.
Musicians, step up the tempo.
Soon the morning will glow,
then the intoxication is over and the fever ended.
So, musicians, step up the beat!

Alle vackre jänters

Kom där en speleman
som kan få lov till fela strängen.
Kom den som spela kan

Kam alle vackre jänter kom igen

Come, then, you who can play

Everyone in Norway

come if you want, so you can see.
If you are ready, you will get no rest.

all over the meadows.
The fiddlers make the dance;
all the pretty lasses hambo.

The men are coming
from all the neighborhoods.
“Hi!” all the men shout,
all the pretty lasses hambo.

If you are in a good mood
and if you are in shape,
you don't need to drink
because the dance makes you dizzy.
Come dear friend,
over and over again
until sunrise
we shall dance.

From all of the relatives [?]
villages, alleys,
dancing, screams, and fiddlers,
all the pretty lasses hambo.

Father plays a lifting rhythm;
feel the simple power.
Then all the impressions
bring up the memories.
It makes even the eldest young.
The dance is child's play.
Come all you pretty lasses,
come on, and let's have a funny hambo.

Runt i departemangerne
och restaurangerne,
förer för denne gangerne.
Alle vackre jänters hambo.

Till och med diplomaterna
och advokaterna
lysstrar med frid i gaterna.
Alle vackre jänters hambo

Denne melodi
är ingen symfoni.
Nej den är lys och fri
och gör dig glad och fin.
Fine klare kväll
med kastebåte skräll.
Du danser den i
sträk och fele gnäll
Ut över alle hejarne
och sätervejarne,
där trallar over dejerne.
Alle vackre jänters hambo

All around in the departments
and the restaurants,
it's going [?].
All the pretty lasses hambo.

Even the diplomats,
and the lawyers
are listening in peace in the streets.
All the pretty lasses hambo.

This melody
is not a symphony.
No, it's light and free,
and makes you feel happy and good.
It's a nice clear night
with fiddle music.
You are dancing to
the squeak from string and fiddle.
Out over all the hills
and the country roads,
there they are singing over the [?].
All the pretty lasses hambo.

Güzelleme

/ Deli gönül ne gezersin?
 Geze geze yorulman mı?
 Ne kazandın bu sevdadan?
 Vazgeç desem darılman mı? /

Delisin gönül delisin,
 güzellere cilvelisin,
 bu işleri bilmelisin.

/ Çiçek olsan derilmen mi?
 Çiçek olsan derilmen mi? /

/ İnce'lektan elenirsin,
 diyar diyar dolanırsın.
 Akar çağlar ulanırsın.
 Hiçbir zaman durulman mı? /

Yüce dağın menekşesi,
 sesin güzeller neşesi,
 gönlümün billür şısesi,
 / taşa çarpsam kırılmanmı,
 taşa çarpsam kırılmanmı? /

/ Söyletme garip Veyseli,
 candan sevdiğim güzeli,
 kâhi uslu kâhi deli
 tenha bulsan sarılman mı? /

Delisin gönül delisin,
 güzellere cilvelisin,
 bu işleri bilmelisin,
 / çiçek olsam derilmen mi?
 çiçek olsam derilmen mi? /

My wild heart, why do you wander?
 Wandering, wandering, do you never tire?
 What have you gained from this passion?
 If I said give it up, would you not be angry?

You are crazy, my heart, you are crazy,
 you are flirtatious with the beauties.
 You ought to know these affairs.
 If you were a flower, would you not be
 picked?

You keep on being sifted through a fine sieve.
 You keep meandering from region to region.
 You flow, you rush like a waterfall, you are joined,
 do you not ever settle down?

Violet of the high mountain,
 your voice is a joy to the beautiful.
 O crystal glass of my heart,
 if I should throw you against a rock, would
 you not shatter?

Don't ask lonesome Veysel¹ to speak,
 O beautiful one whom I love with all my soul,
 sometimes well-behaved, sometimes wild,
 if you found a secluded spot, wouldn't you
 embrace me?

You are crazy, my heart, you are crazy,
 you are flirtatious with the beauties.
 You ought to know these affairs.
 If you were a flower, would you not be
 picked?

Ali Paşa

- / Arpa ektim, biçemedim,
bir düs gördüm, seçemedim. /
/ Ahşmişim soğuk suya
issığ sular içemedim. /
- / Üç atım var, biri binek.
Arkadaşlar kalkın gidek. /
/ Ali Paşayı vurdular
yavrusuna haber verek. /
- / Paşa giyer iki kürkü,
biri samur biri tilki. /
/ Ali Paşayı vurdular
harab oldu Van'ın mülkü. /
- / Karavanaya vurdular.
Yüzbaşilar darıldılar. /
/ Darılmayın yüzbaşilar,
Ali Paşayı vurdular. /₄

I sowed barley, but couldn't harvest it.
I had a dream, but couldn't figure it out.
I am accustomed to cold water,
couldn't take the warm.

I have three horses, one fit for riding.
Friends, let's be on our way.
They've shot Ali Pasha.
Let's tell his children.

Pasha wore two furs,
one is sable, one is fox.
They've shot Ali Pasha,
All of Van is in ruins.

The soldiers beat the cooking pots.¹.
The officers were offended.
Don't be offended, officers,
they've shot Ali Pasha.

Çit-çit

- / Ekin ektim çöllere de
yoldurmadım ellere. /
/ Onbeşinde yar sevdim de
ondan düştüm dillere. /

Chorus:

Çitçit çitçit çedene de
sar bedeni bedene.
Dünya dolu yar olsa da
alacağım bir tane.

- / Ekin ektim gül bitti de
dalında bülbül öttü. /
/ Ötmeyeydin a bülbül de
yarım elimden gitti. /
- / Ekin ektim bitecek de
sevdam bana yetecek. /
/ İkimizin sevdasıda
ölenedek gidecek. /

I planted grain in the desert,
didn't let strangers harvest.
I fell in love with a fifteen-year-old
and became the talk of the town.

Çitçit çitçit çedene,
Wrap the bodies together.
Even if the world were full of lovers,
I would still take just one.

I planted grain, a rosebush bloomed.
On its branches a nightingale sang.
If only you hadn't sung, O nighgale!
My love has gone away.

I planted grain, it will grow.
My love will be enough for me.
This love of ours
will last until we die.

Turkish hora

Bak kardeşim elini ver bana.
Gel kardeşim neşe getirdim sana.
Al kardeşim ye, iç, gül, oyna.

Sar kardeşim kolunu boynuma.
Sev kardeşim, canım feda yoluna.
Tap kardeşim tüm insanlara.

Dünyaya geldik bir kere.
Kavgayı bırak hergün bu şarkımı söyle
sevdikçe güler her çehre.
Amaçlar hep bir olsun kalpler birlikte.
Dünyaya geldik bir kere.
Kavgayı unut hergün bu şarkımı söyle.
Sevdikçe güler her çehre.
Mutluluklar bir olsun acı birlikte.

*Repeat entire song, then from * to end.*

Finish with:

Dünyaya geldik bir kere!

Look, my friend, give me your hand.
Come, my friend, I bring you joy.
Take, my friend, eat, drink, laugh, dance.

Wrap, my friend, your arm round my neck.
Love, my friend, I offer you my life.
Worship, my friend, all of mankind.

We come to this world only once.
Leave the quarreling, sing my song every day.
The more you love the more you are happy.
Let our hearts and goals be the same.
We have come to this world only once.
Forget about the quarreling, sing my song every day.
The more you love the more you are happy.
Let our happiness be one, our sorrow, one.

We come to this world only once!

Kendime

Kuzuya sordum derdimi, meeledi.
Tilkiye sordum da yalan söyledi.
Bülbüle açıldım ne kâr eyledi.

Chorus:

Bulamadım bir tek çare derdime, derdime.
Arayıp sordum hep kendi, kendime,
kendime.
Söyle sazım ne söylersin,
Yeleleliiiii, yelelelli—
Yeleleliiiii, yelelelli.

Toprak ile dostluk kurdum tozuttum.
Rüzgâr ile dere tepe gezindim.
Yağmur oldum şu daglardan süzüldüm.

Bir yâr sevdim ismi ile avundum. Doğru
söze kıymet verdim savundum. Ben bu
yüzden dokuz köyden kovuldum.

I asked the lamb about my problem—it
baa'd,
I asked the fox—it lied,
I confided in the nightingale—
it did not help.

I couldn't find a single cure for my ailment,
I asked and searched by myself, just myself.
Tell me my saz¹,
Yeleleliiiii, yelelelli—
Yeleleliiiii, yelelelli.

I made friends with the earth and made dust.
With the wind, I roamed the hills,
I became rain and came down the
mountains.

I loved someone, consoled myself with her name.
I valued truth and defended it.
That's why I was chased from nine villages.

Sallama

Edremit Vana bakar
içinde çaylar akar.
Oyle bir yar sevdim ki
her gören ona bakar.

Chorus:

O susam o sümbül
o gül o bağımdır,
oynamak ziplamak
eğlenmek çağımdır.
O inci o mercan
beyaz gerdanındır.
Oynamak ziplamak
eğlenmek çağımdır.

Kale dibi kayalık
denizde oynar balık.
Kızın gönlü oğlanda
oğlansa kızı yanık.

Edremit¹ looks toward Van².
Streams flow through it.
I love such a woman that
whoever sees her stares at her.

She's a sesame, she's a hyacinth,
she's a rose, she's my vineyard.
This is my time of life
to dance, leap, have fun.
That pearl, that coral,
is your white neck.
This is my time of life
to dance, leap, have fun.

The base of the fortress is of rock.
In the sea the fish play.
The girl has her heart set on the boy.
As for the boy—he's burning for her.

Derhule

/ Oynayın kız oynayın durmanın ne kârı var? /
/ Ah bu köyün icinin acayıp bekârı var. /
/ Derhule dem derhule, derhule dem derhule. /

/ Oy Kemençeci dayı soktun gözüme yayı. /
/ Kör ettin gözlerumi göremedim dünyayı. /
/ Derhule dem derhule, derhule dem derhule. /

/ Çek aşağı yukarı amanın piturluni. /
/ Niye konuşmayız, kuş mu yedi diluni? /
/ Derhule dem derhule, derhule dem derhule. /

Dance, girls, dance, why should you stop?
It's a marvel there are bachelors in
this village!

Hey kemençe¹ player, you've stuck your bow
in my eye.
You've blinded my eyes, I can't see the world.

Pull, up and down, [piturluni].
Why don't we talk, has a bird eaten
your tongue?

Rampi, rampi

/ Çadırımin üstüne şıp dedi damladı. /
 / Allah canımı almadı almadı. /

Chorus:

/ Heeyy
 Rampi rampi rampi rampi
 Geliyora bakdı. /

/ Veresiye vere vere kalmadı kalmadı. /
 / Allah canımı almadı almadı. /

/ Kuru kuru cilveler kaynasın kaynasın. /
 / Gelin güveyi oynasın oynasın. /

On the top of my tent the rain went shpp shpp.
 Allah did not take my soul away.

Heeyy
 Rampi rampi rampi rampi
 He looked at any passer-by.

I gave and gave, all for promises, till there
 was nothing left.
 Allah did not take my soul away.

Empty, empty flirtation, let it boil.
 Let the bride and bridegroom dance, let
 them dance.

İşte hendek, işte deve

Kuyu başına vardım,
 zeynebim bekler diye.
 Nasıl haberin almışsa,
 dayı emmi hep orda,
 Dediler ne ararsın?
 Kızı almak m'istersin?
 Sana bir çift sözümüz var,
 Hele buysa niyetin.

I came to the well,
 thinking my Zeyneb would be waiting.
 Somehow her uncles found out
 and they were already there.
 They said "What are you looking for?
 Do you want to marry the girl?
 We have a few words to say to you
 if this is indeed your plan."

Chorus:

İşte hendek, işte deve, ya
 atlarsın ya düşersin,
 baktın olmaz vazgeçersin,
 zordur almak bizden kızı.
 İşte Halep, işte arşın,
 ya aşarsın ya biçersin,
 baktın olmaz vazgeçersin,
 zordur almak bizden kızı.

"Here is a ditch, here is a camel.
 Either leap over (on camelback) or fall in.
 If you think you can't, then give up.
 It's hard to get our daughter from us!
 Here's Aleppo (a distant city), here's
 the yardstick.
 Either you get there or you try to measure up.
 If you think you can't, then give up!
 It's hard to get our daughter from us!"

Söğüdünlü dalı uzun,
 barış'ın gönlü hüzün,
 elim eline degmedi,
 varın anlayın gayri.

The branch of the willow is long.
 The heart of Barış¹ is sad.
 I never even touched her hand with mine.
 I'll let you figure out the rest.

Oh my tiny little lady,
 my very soul is in love with you.
 Oh my tiny little lady,
 my very soul is in love with you.

Peach trees are blooming
 with so many flowers.
 Her crescent eyebrows
 burned me to ashes.

In the gardens climbing vines
 so very tall, so royal.
 If two hearts entwine
 even a sultan cannot separate them.

Songs like this one were created by traveling musicians who gathered at different villages. One would start the song, the next one around the room would add another verse, and so on. To gain time, they would throw in the first line that rhymed with what they had in mind, even though it might not mean much. The second line, rhyming with the first and the fourth, would touch the general subject. Finally the last two lines would make the statement.

United States

Salty Dog Rag

Away down yonder in the state of Arkansas
where my great-grandpa met my great-grandma,
they drink apple cider and they get on a jag
and they dance all night to the Salty Dog Rag.
They play an old fiddle like you never heard before.
They play the only tune that they ever did know.
It's a ragtime ditty and the rhythm don't drag,
now here's the way you dance to the Salty Dog Rag:

Chorus:

One foot front, drag it back,
then you start to ball the jack.
You shake and you break and then you sag,
if your partner zigs you're supposed to zag.
Your heart is light, you tap your feet
in rhythm with that ragtime beat.
(Just) pack up your troubles in your old kit bag
and dance all night to the Salty Dog Rag.

Away down South 'neath the old Southern moon
the possum's up a tree and the hounds treed a coon.
They'll hitch up the buggy to a broken down nag
and go out dancing to the Salty Dog Rag.
They tune up the fiddle and they rosin up the bow.
They strike a C chord on the old banjo
and holler hang on 'cause we ain't gonna drag
'cause here's the way you dance to the Salty Dog Rag.
